

# PEW REHABILITATION PROJECT

## **Project Description:**

The project includes the repair and refinish of all 125 pews and replacement of all kneelers. The kneelers will be split into shorter lengths for easier handling, and all hardware will be replaced.

## **Contractor Selection:**

Proposals from 7 contractors were procured and evaluated. Kivett's, Inc. from Clinton, NC was selected for quality, expertise, cost, schedule, and professionalism in the manufacture and refinishing of church pews and similar woodwork.

## **Project Schedule:**

The project will be accomplished in 2 phases, with half of the pews being removed and refinished per phase. Phase 1 is scheduled for June 26-September 1, 2017. Phase 2 will be scheduled for a later date, which will be dependent on fundraising results and the scheduling of other parish functions such as Easter, weddings, etc.

## **Project Cost:**

Phase 1: \$65,535

Phase 2: \$69,250

Total Cost = \$134,785

## **Sponsorship Opportunities:**

We humbly request your financial support for this project. May God reward you for your generosity. Contributions of any size are greatly appreciated, and no gift is too small. For those who are particularly blessed, a suggested gift amount is the approximate cost of a pew.

Short Pew = \$750

Long Pew = \$1500

Please remove the bottom portion of this flyer, fill in the information, and include this with your contribution. This may be dropped in the collection basket or delivered to the Parish Office.
